**---China Earthquake Candlelight Vigils Memorial Service**

Please join us on June 14, 2008 from 8:00 pm to 9:00 pm for a Candlelight Vigils Memorial Service to show our remembrance of and love to May 12 earthquake victims in China. We offer deepest sympathy to the families and friends of the lost and also demonstrate that our unity is a kinship of grief and a steadfast resolve.

The Sichuan earthquake has caused tremendous devastation to that region and China. More than 69,000 people have lost their lives and the death toll is still mounting, over 5 million residents have been displaced, and property damages are staggering. In the meantime, we have witnessed humanity and compassion from people all over the world. It is said that the adversity introduces us to ourselves and we have certainly seen national character in expressive acts of sacrifice.

We hope you will join us for the services at one of the following sites:

Locations: 1) Union Square, San Francisco  
2) Memorial Park, Cupertino  
3) Central Park, Fremont

**8:00 PM, June 14, 2008, Saturday**

**Program includes singing, poem reciting and memorial ceremony.**

(Candles may be purchased onsite, which represents your donation to the earthquake relief fund.)

**Organizer:** Northern California China 5.12 Earthquake Relief (NCC512)
